

Information Note n° 8

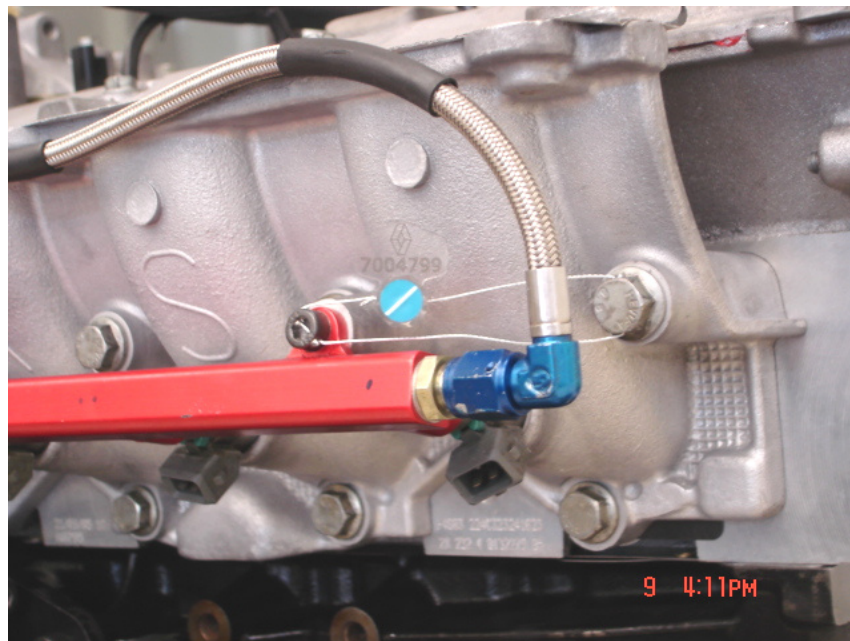

30th October, 2008

Reference: NI_2008_FR20_08_UK
Date: 30th October 2008
Subject: Engine delivery to ORECA Magny Cours

Dear competitors,

From now on, for an engine dyno test or/and an engine rebuilding at our engine tuner Oreca Magny Cours, engines will have to be delivered with their fuel rail and injectors.

The fuel rail will be sealed for the 2009 season as shown on the picture below :
